. . . about this auction

CLARKE E. GILHOUSEN

Many of the coins on the following pages (and in Auction Three) were painstakingly assembled by C.E. Gilhousen, a famous collector of the last century and the early nineteen-hundreds. He was a pioneer auto dealer, when horses and railroads were the mode of travel. As the car gained acceptance, and Mr. Gilhousen achieved affluence he devoted more and more time and income to his main preoccupation and hobby ... coin collecting. His specialty was gold. You might say he had the Midas touch for by 1909 his fabulous collection was estimated to be worth in excess of $200,000.00.

Newspapers of that day extolled the merits and uniqueness of his collection and the L.A. Tribune called it "one of the finest private collections in the world". And well it should have been, for Mr. Gilhousen had acquired his first coin (a coin of Frederick the Great) in exchange for some marbles when he was but 12 years old. Thus, from post-Civil War Days to the early nineteen-hundreds, he devotedly added to his holdings until he had over 2500 gold coins from all over the world.

His collection ultimately passed into the hands of another equally dedicated collector who meticulously and methodically added each new golden coin in choice condition. And so the collection grew and appreciated throughout the early decades of this century. Issue by issue ... mint by mint, until now, when the combined efforts of several collectors representing over 100 years and tens of thousands of dollars are to be offered to the public in this unprecedented "SALE OF THE CENTURY".

FOR NEW MAIL BIDDERS

If you have never before bid by mail, an explanation is needed. Basically, the procedure is quite simple. You will notice on the enclosed Mail Bid Form a place for entering the Lot Number as well as the amount you wish to bid. After carefully reading the description of the Lot in question, simply write down the Lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot No. 145. Determine the maximum price you will pay for this Lot and enter this amount on the Mail Bid Form as follows:

Lot	Bid		Lot	Bid	
145	90	00			

You will note we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price you will pay for a lot (unless you have checked one of the increase boxes). However, there is always the chance you may obtain the Lot for less! As indicated in our "Terms of Sale," we act as your agent and execute your bids as if you were there in person at the Sale. We will buy the Lot for you as cheaply as possible over the next highest bid. In other words, if your bid, for example, is $90.00 on Lot No. 145, and the next highest bid, whether by mail or floor, is only $70.00, the Lot would be awarded to you at $75.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read carefully our "TERMS OF SALE." Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the Sale in person. Many bargains are obtained through the medium of auction sales, and it can be a very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our Sales.

Thank you,
